## A Message from our President

It is a very great pleasure for me to extend a hearty welcome to all of you attending our 1953 Carnival and I hope you enjoy every minute of it.

Our Club is now largely made up of the younger members of the Community and much credit is due our Club Professionals, Mr. Ferdinand G. Chatte and Miss Patricia A. M. Allen, for the high standard of skating these youthful performers will exhibit this evening.

I know that the superb skating of our guest artists tonight will be an inspiration to our Club membership and I hope that the entire performance will serve as an incentive to many of you to join our Club. Our active members range in age from three to over fifty years and during a season of seven months' duration we offer classified group instruction twice weekly, dance sessions, practice sessions, free-skating time and private lessons — all under organized supervision.

I wish to take this opportunity to thank all those who have assisted in making the Carnival a success.

Now, for your entertainment, we present, "Spanish Rhapsody."
